SUBJECT:
US 101/State Route 92 Area Improvement and Multimodal Project – Letter of Support

RECOMMENDATION:
Authorize Mayor Bonilla to send a letter of support on behalf of the City of San Mateo to Congresswoman Speier for the San Mateo County Transportation Authority's request for Community Project Funding.

BACKGROUND:
The San Mateo County Transportation Authority (TA) is requesting Community Project Funding to help fund the US Highway 101 and State Route 92 (US 101/SR 92) area improvement and multimodal project. This project will realign the US 101/SR 92 interchange, implement dedicated bicycle facilities and pedestrian access improvements, and construct a transit mobility hub. These improvements will ease congestion due to better traffic flow, reduce hazardous vehicle weaving incidents, and enhance safety conditions and local connections to and from the highway. The proposed bicycle facilities, pedestrian improvements, and transit mobility hub will support commute alternatives and improve local access for all modes of transportation. The draft letter of support for the Community Project Funding to Congresswoman Speier is included as Attachment 1.

BUDGET IMPACT:
There is no budgetary impact for submitting this letter of support.

ENVIRONMENTAL DETERMINATION:
This action is not a project subject to CEQA, because it is an organizational or administrative activity that will not result in direct or indirect physical changes in the environment. (CEQA Guidelines Section 15378(b)(5).)

NOTICE PROVIDED
