Subject: Cost of 56 laptops for SMPD

Dear City Council and Manager,

RE: Item on upcoming City Agenda: Laptop purchase for SMPD

Is there any way to get this cost down for 56 laptops? What's going to happen to the old laptops? I went to the CDW-G website and found that the Panasonic toughbook is now on sale, so 56 laptops= \$186,613.28. (Unless there is an upgrade not mentioned??)

Maybe renegotiate with the vendor to match this current price.

Police Vehicle Computer Replacement – Purchase Adopt a Resolution to approve the use of an alternative purchasing procedure and Master Purchasing Agreement and Participating Addendum with CDWG for the purchase of 56 Panasonic laptops per the City's computer replacement schedule in the amount of **\$252,996.21** and 40 Havis laptop docking stations in the amount of \$27,582.65 for a total amount of \$280,578.86; and authorize the Chief of Police to execute the agreement in substantially the form presented.

This is a way to balance the City Budget. Thank you.
