

**Peninsula Clean Energy
Electric Vehicle Ready Program
Fund Reservation Agreement**

Applicant First Name	Andrea
Applicant Last Name	Chow
Title	Sustainability Analyst
Organization	City of San Mateo
Email	achow@cityofsanmateo.org
Phone Number	650-522-7007
Proposed Site Address	330 W. 20 th AVENUE
City	SAN MATEO
Zip Code	94403
Service Agreement ID	(REDACTED)
Project ID	PROJ-301024-14600

EV Charging Infrastructure Project Description:

Project Type	EXISTING EMPLOYEE PARKING
--------------	---------------------------

	Level 1 Outlets	Level 2 Outlets	Level 2 Charge Ports	Make Ready Ports
Submitted # Ports	0	0	18	0
Reserved Funds	\$0.00	\$0.00	\$90,000.00	\$0.00

Panel Upgrade	\$0.00
---------------	--------

Total Reserved Funds

\$90,000.00

Notes

GovEV 90000.00

Peninsula Clean Energy Authority ("PCEA") cannot guarantee rebate funds beyond what was reserved nor can rebate funds exceed 100% of the total project costs. Final projects with less ports than projected will only receive rebates for installed ports, up to the amount reserved.

By signing below, the site owner ("Site Owner") or, if the property is owned by a commercial or corporate entity, the representative of the ownership entity ("Owner Representative") agrees to the "Electric Vehicle (EV) Ready Program" ("Program") Terms & Conditions. If neither Site Owner nor Owner Representative executes the Agreement, the applicant ("Applicant") certifies that a

Peninsula Clean Energy EV Ready Program Terms and Conditions

1. **ELIGIBILITY:** Peninsula Clean Energy Authority offers a rebate to eligible PCEA customers or their designees (Applicant) installing EV Charging Infrastructure through the EV Ready Program. Applicants eligible to receive rebates under the Program must (1) abide by the terms and conditions listed herein; (2) have the EV charging port(s) metered through a PCEA account number; (3) comply with Program Standards and Requirements ("Program Requirements") in Appendix A; (4) provide PCEA with Required Installation Verification Documents as specified in the Program Requirements upon completion of the project.
2. **REBATE RESERVATION TERM AND AMOUNT:** The amounts of the rebates for which qualifying projects are eligible are outlined in Program Requirements. Rebate funds are reserved upon execution of this Agreement up to the maximum amount identified in the Program Requirements based on the "EV Charging Infrastructure Project Description" (hereinafter, the Project, see page 1 above). The funds are reserved according to the Fund Reservation Period timelines outlined in the Program Requirements and any modifications to the timelines are at the discretion of PCEA. Rebates will be paid to eligible Rebate Recipient once installation is verified as complete by PCEA. The final amount of the rebates will be the actual eligible costs of verified EV Charging Infrastructure installed or the maximum amount reserved, whichever is less.
3. **DISCRETION ON VERIFICATION:** Determinations regarding verification pursuant to paragraph (1) and paragraph (2) of these Terms and Conditions, shall be determined at PCEA's complete and exclusive discretion.
4. **REBATE RECIPIENT:** The Applicant may direct the rebate funds to any Rebate Recipient, who is a single vendor or service provider incurring costs for the Project up to the amount of documented costs incurred by that Rebate Recipient. The Rebate Recipient shall be identified in the Installation Verification Form submitted upon project completion to request disbursement of the rebate.
5. **NO GUARANTEES:** PCEA makes no guarantee, representations or warranties, expressed or implied, regarding the implementation or use of EV Charging Infrastructure and equipment purchased or installed pursuant to this PCEA Program. Customer is solely responsible for any liability, legal or otherwise, arising from the installation, operation, and maintenance of its selected EV Charging Infrastructure.
6. **EVSE PACKAGE:** Upon approval of the Funds Reservation Agreement by PCEA, customer shall install, operate and maintain the number and type of the EVSE unit(s) (defined in Program Requirements), associated equipment, and signage as selected by Customer and approved by PCEA. Customer acknowledges that:
7. **ADDITIONAL SERVICES FROM ELECTRIC VEHICLE SERVICE PROVIDER (EVSP):** Separate and apart from the Funds Reservation Agreement and PCEA's obligations under the Program, the EVSP may offer and contract directly with the Customer to provide any additional or complementary services, as long as these services do not interfere with the objectives of the Program. PCEA is not responsible for the costs of additional EVSP services or any cost related to operations

and maintenance of any additional EVSP services.

8. **INSTALLATION OF EV CHARGING INFRASTRUCTURE:** Customer is responsible for covering all upfront costs of the installation of the EV Charging Infrastructure. Upon completion of installation of the EV Charging Infrastructure, Site Owner understands it is responsible for the operation and maintenance of the EV charging port(s) installed.
9. **CONTRACTOR REQUIREMENTS:** All work performed on projects under this agreement shall be done by contractors who hold a valid California C-10 license. PCEA reserves the right to amend and change contractor requirements at any point during the program.
10. **EV DRIVERS RIGHT TO ACCESS:** Customer may limit the availability of the EV Charging Infrastructure to its employees or tenants. Under the Program, Customer may elect to make the EV Charging Infrastructure available for use by the general public. Customer shall not restrict access to use of the EV Charging Infrastructure for reasons including, but not limited to, race, color, religion, age, sex, national origin, ancestry, physical or mental disability, or any basis prohibited by applicable law.
11. **APPLICABLE LAWS:** Customer is solely responsible for ensuring that the EV Charging Infrastructure is installed and operated in compliance with all applicable local, state, and federal laws.
12. **EV CHARGING PORT(S) OPERATION AND MAINTENANCE:** Customer will pay all ongoing costs associated with the EV Charging Infrastructure. Customer shall maintain a consistent uptime for the EV Charging Port(s) installed. Customer shall maintain the common area immediately surrounding the EV Charging Infrastructure in good condition, ordinary wear and tear accepted, and will promptly notify PCEA of any problems it is aware of related to the EV Charging Infrastructure. Such maintenance by Customer of the immediately surrounding common areas shall include, but not be limited to, pavement maintenance. Customer shall promptly notify PCEA if Customer will no longer maintain the installed EV Charging Infrastructure and/or the installed EV Charging Infrastructure is being removed from Customer's site. Uninterrupted service is not guaranteed, and Pacific Gas & Electric (PG&E) may interrupt service and access to the EV Charging Infrastructure when necessary to ensure safety or to perform maintenance as dictated by utility easement agreements and requirements.
13. **PERMISSION TO USE DATA:** For all EV Charging Infrastructure installed that are capable of collecting and reporting usage and utilization data, Site Owner agrees to allow PCEA and its authorized Contractors to access, collect, use, and report EV Charging Infrastructure usage and utilization data gathered as a part of the Program for use in regulatory reporting, ordinary business use, industry forums, case studies, or other similar activities, in accordance with applicable laws and regulations. PCEA and its authorized Contractors shall have access to the EV Charging Infrastructure usage and utilization data indefinitely and in accordance with all applicable laws, including but not limited to PCEA privacy guidelines and relevant regulatory decisions.
14. **DEMAND RESPONSE and LOAD SHAPING PROGRAMS:** Customer agrees that PCEA may, at its discretion enroll all networked EV charging port(s) units installed under the Program in any future demand response, grid optimization, and/or load shaping programs implemented by PCEA. Future load shaping program will, by design, not incur any additional costs or expenses to Customer. The load shaping program will aim to curtail energy usage for each charging port during a predefined period established by PCEA. These curtailments will be designed to minimally impact EV drivers that are charging during these times whenever possible. Customers will be provided an appropriate mechanism to opt-out before the program is implemented.
15. **TAX LIABILITY and CREDITS:** PCEA is not responsible for any taxes which may be imposed on Customer as a result of the rebates provided within the Program. Site Owners receiving incentives from either the Program and/or other regional organizations, including, but not limited to, the Bay Area Air Quality Management District, that have been facilitated through assistance from PCEA are required to designate their Low Carbon Fuel Standard (LCFS) credits to PCEA. Customer attests they are releasing their rights to report and claim credits in the LCFS and are designating credits in the LCFS to PCEA (FEIN 81-2708786) on an ongoing basis. Customer will inform third-party entities when necessary, including CARB, that the LCFS credits generated by their installed EVSE are designated to PCEA on an ongoing basis. Customer will provide the EVSE usage and electricity data to PCEA for LCFS reporting pursuant to CARB sections 95483.2(b)(8), 95491 and 95491.1. Customer will provide PCEA with ongoing access to EV charging data through the use of a login to the online account and/or an application program interface (API), a dashboard with exportable data files, or other means to access the charging data.

16. **DISPUTES:** Except where otherwise limited by law, PCEA reserves the right, at its sole discretion, to make final determinations regarding any disputed issues about the Program, including but not limited to eligibility and rebate amounts. In the event of a dispute that cannot be remedied by the parties, any court filings and/or proceedings shall be venued in San Mateo County, California. PCEA shall in no case be responsible for the legal costs of Site Owner and/or Designated Applicant.
17. **PROGRAM CHANGES:** PCEA reserves the right to change, modify, or terminate the Program at any time without any liability except as expressly stated herein. PCEA will honor all written commitments made in the Funds Reservation Agreement provided to Customers prior to the date of any change, modification or termination of this program, provided that project installations are fully completed within the timeframe specified within the Program Requirements.
18. **PROGRAM EXPIRATION:** The Program will expire upon the earliest to occur: (i) when funds are depleted or (ii) when the program is terminated by PCEA.
19. **INDEMNIFICATION:** Applicant agrees to indemnify, defend, and hold PCEA, its employees, officers, and agents, harmless from any and all liabilities including, but not limited to, litigation costs and attorney's fees arising from any and all claims and losses to anyone who may be injured or damaged by reason of Customer's negligence, recklessness or willful misconduct while participating in the PCEA Program.
20. **ACKNOWLEDGEMENTS:** Customer shall acknowledge PCEA as a funding source of the installed EV Charging Infrastructure each time Customer's activities related to the EV Charging Infrastructure are published in any news media, press release, brochures, or other type of public communication or promotional material. The acknowledgement of PCEA's support as a funding source, whether in whole or in part, shall include language such as: "Funding for [Customer Site Name]'s charging station(s) provided by Peninsula Clean Energy." If Customer is receiving funding from multiple organizations, Customer may use one statement conforming to the format listed above and include all organizations from which funding is received. PCEA also reserves the right to install stickers, signage, or other advertisement mechanism on the EV charging port(s) funded or facilitated by PCEA.
21. **CUSTOMER DISCLOSURE AUTHORIZATION:** By signing the Funds Reservation Agreement, Applicant confirms they are the authorized representative for the electric account holder identified in the Funds Reservation Agreement and authorized PCEA to disclose Customer's account status and participation in the PCEA Program. If Applicant is not the authorized representative for the electric account holder identified in the Funds Reservation Agreement, the Applicant certifies that they have submitted a Third Party Designated Applicant Assignment Form to verify that the Site Owner has delegated authority to the Applicant to represent the Site Owner and execute the Funds Reservation Agreement.
