

**CITY OF SAN MATEO
RESOLUTION NO. ____ (2019)**

APPROVING A UTILITY AGREEMENT WITH CALTRANS

WHEREAS, the San Mateo Highway 101 Express Lanes Project is a multi-agency project, sponsored by San Mateo County Transportation Authority, City/County Association of Governments of San Mateo County, and State of California Department of Transportation (Caltrans), to provide express lanes in both directions of Highway 101 from Whipple Avenue to Interstate 380 in San Mateo County; and

WHEREAS, this \$500 million project is part of a corridor-wide vision to implement a continuous express-lanes system on Highway 101 throughout Santa Clara, San Mateo, and San Francisco counties;

WHEREAS, the project includes highway widening in some stretches through San Mateo to accommodate new traveled lanes, which will necessitate relocation of existing highway sound walls, modifications to City frontage roads, and relocation of City sanitary sewer facilities;

WHEREAS, Caltrans will perform the design and construction of the sanitary sewer facility relocations, while the City will provide design review and construction inspection oversight of the relocation; and

WHEREAS, all the efforts, including the City's \$30,000 estimate for design review and construction inspection oversight, for the sewer relocations are 100% Caltrans expenses.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN MATEO, CALIFORNIA, HEREBY RESOLVES that:

1. The utility agreement with Caltrans for the relocation of sanitary sewer facilities required to facilitate the Caltrans 101 Express Lanes project is approved.
2. The Public Works Director is authorized to execute the agreement in substantially the form presented.
