RESOLUTION NO. ____ (2019)**

**APPROVING AMMENDMENTS TO THE DEPARTMENT HEAD
AND DEPUTY DIRECTOR COMPENSATION PLAN**

WHEREAS, the Department Heads and Deputy Directors are not represented by a bargaining group, and compensation is determined by the City Council; and

WHEREAS, executive positions consist of the at-will heads of city departments who serve at the pleasure of the City Manager; and

WHEREAS, Deputy Director classifications are in the competitive service as defined by Municipal Code Chapter 2.57; and

WHEREAS, a consolidated compensation plan specific to the Department Heads and Deputy Directors has been set forth in a resolution; and

WHEREAS, this is within the amount budgeted for salary increases for Department Heads and Deputy Directors in the fiscal year 2019/2020 adopted budget;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN MATEO, CALIFORNIA, RESOLVES that:

The amendments to the Consolidated City Manager, City Attorney, Department Head and Deputy Director Compensation Plan, for Department Head and Deputy Director classifications, are approved as follows, and salaries as set forth in Exhibit A attached hereto.

SALARY

Successful employee performance is a key factor in determining compensation.

Salaries have been established for the City Manager and the City Attorney. The current amounts are listed in Exhibit A.

A three-step salary range has been established for each Department Head and Deputy Director classification. The ~~current-proposed~~ salary ranges with two percent (2%) increases, and a five percent (5%) increase for the classification of Assistant City Manager, are listed in Exhibit A. Salary placement is based upon performance review and experience. ~~Adjustments to salary ranges will be considered at the time salary changes are adopted for represented management employees.~~

The City Manager is authorized to offer unrepresented management employees or potential unrepresented management employees, on a case by case basis, additional fringe benefits incentives, not to exceed 10% of the position's base salary.

TEMPORARY UPGRADE PAY

In the event the City Manager determines that it is necessary to assign a Department Head or Deputy Director to perform all of the duties of a higher paid classification for two or more consecutive

workweeks, he/she shall receive payment for the higher classification for the entire duration of the assignment. The City Manager shall set the salary within the established salary range. Except with the approval of the City Manager, a temporary upgrade assignment shall not continue for longer than one year.

When an employee performs a significant portion but not all of the duties of a higher paid classification, the employee may petition the City Manager for a differential in pay of up to 10%, to be determined by duties assigned for this work out of class.

~~EDUCATIONAL INCENTIVE PAY FOR DEPUTY FIRE CHIEF~~

~~A Deputy Fire Chief in possession of a BA Degree shall receive one hundred twenty dollars (\$120) per pay period. To be eligible for educational incentive pay, the Deputy Fire Chief must also complete a minimum of 24 hours of approved Level II or Level III California Fire Service Training and Educational System training or other equivalent formal training each year. Equivalent formal training is defined as training pre-approved by the Fire Chief. Training must be designed to enhance the management skills of the Deputy Fire Chief. The failure of an individual to obtain the required training during a fiscal year shall then terminate educational incentive payment for that person in the following fiscal year. If the employee is unable to complete the training within the fiscal year due to situations clearly beyond his/her control, the Fire Chief may waive the requirement.~~

EMERGENCY WORK

In the event a City Council declared emergency necessitates the devotion of excessive working time by certain management employees in order to maintain essential public services, the City Manager may authorize overtime on a case-by-case basis. Such authorization shall terminate upon cessation of the City Council declared emergency.

PERSONAL TRAINING

Department Heads and Deputy Directors are encouraged to attend instructional programs, conferences and seminars as available in the department's budget. If the cost to attend exceeds \$2,000, attendance must be pre-approved by the City Manager.

LIMITED DURATION POSITION

The City may hire employees in limited duration positions (non-permanent positions) that will not exceed three (3) years for any of the following reasons: (1) where the position is created for a project(s) or work that is expected to be completed within three (3) years; (2) where the position is funded by grant funds of three (3) or less years in duration; or (3) where the position is funded by moneys from capital or enterprise funds that may be unavailable after three (3) years. Employees shall be informed of the duration of the position at the time of employment. At the end of the position's duration, employment shall terminate and the employee shall not have layoff rights, bumping rights, severance payments or reemployment rights. This provision shall supersede Personnel Rule Sections 1 (13) and (24). Should an employee who was originally hired to fill a limited duration position be later appointed to a permanent merit position, his/her hire date will be that date that service began in the limited duration position.

CONTINUOUS SERVICE

Continuous service shall mean service in any merit classification since original appointment with the City, excluding any time prior to a break in service. One (1) year of completed continuous service shall include, but not be limited to, all time while the employee is on sick leave and/or vacation leave. Neither military leave nor leave of absence without pay shall constitute an interruption in computing continuous service. However, leaves of absence without pay of over one month shall not be included when computing length of continuous service for vacation purposes.

EXECUTIVE LEAVE

Deputy Directors shall accrue forty-eight (48) hours per year of executive leave, on a pay period basis. Executive leave shall have a maximum balance of eighty (80) hours. Deputy Directors may sell back up

to forty (40) hours per calendar year, following the procedures outlined in 'VACATION SELL BACK'.

A Department Head may recommend to the City Manager that an additional amount of executive leave be authorized, up to an additional forty (40) hours. This additional leave may be granted based on excessive hours, the value of the extraordinary effort, and the performance of the employee. The City Manager has full discretion in deciding whether to grant additional leave. In the event that the additional hours take the employee over the eighty (80) hour maximum, they must sell back any hours above the maximum accumulation allowable.

LAYOFF

Whenever, in the judgment of the City Council, it becomes necessary to abolish a position(s), including the reduction of work hours over twenty percent (20%) per year, the employee(s) displaced shall be deemed to be laid off (employees may accept an hours reduction in excess of twenty percent (20%) without exercising their layoff rights). The rights of employees affected by the abolishment of positions by the City Council shall be hereafter set forth.

Seniority for purposes of layoff need not be continuous and shall include total accumulated length of service under the following types of appointment:

- Emergency appointment under SMMC 2.57.60(h) or previous SMMC Section 2.57.020 (11).
- Regular appointment under SMMC 2.57.080.

In the case of ties, seniority shall be determined on the basis of greater hire date seniority, then by random number if necessary.

Seniority for Layoff Purposes

- The least senior employee in the classification from which the position is abolished is to be first laid off. Prior to layoff of regular employees, temporary and/or provisional employees in the same classification will be laid off first. For purposes of initial layoff, seniority means time in the classification in question. Flexibly staffed positions will be considered a single classification for layoff purposes.
- For the purposes of Bumping Rights, seniority is defined as seniority within the classification and seniority in a directly related higher classification; i.e., a classification that is within the promotional line and has a higher salary.

Bumping Rights

Employees laid off may elect to be reassigned to a formerly held classification in any Unit held by an employee with less seniority as defined in 22.2, provided the following conditions are met:

- The formerly held classification exists and has positions allocated and budgeted. Formerly held position includes successor classification if determined by the City to exist. A successor classification exists where the Personnel Board has changed the title of a position or included new duties in the same titled classification, provided that a competitive test was not thereafter given for the retitled or re-dutied classification.

- The employee has the ability to perform the essential functions of the formerly held classification. Qualifications may be tested by the City as described in the current job description.
- If the employee has more than one formerly held City classification, they shall bump to the classification most recently held; the employee may bump into another formerly held classification if no position is available in the "most recently held" classification.

Mutually Agreed Upon Transfer

The City and an employee who has been laid off or bumped may agree to an appointment to a classification that has a vacant position without the need for competitive testing. The following conditions shall apply:

- The City may test the ability of the employee for the position prior to City's decision on whether it will mutually agree to the transfer;
- The appointment shall be subordinate to the bumping rights of other employees and may not be used to prevent another employee from having access to the vacant position if permitted by the bumping provisions.

Severance Package

In the event there is not a less senior, formerly held position for the employee to access through layoff or bumping, the employee will be provided a severance package equal to two (2) weeks of pay for each complete year of service, to a maximum of six (6) months' worth of pay. The City shall make arrangements to provide employees laid off with job search assistance for forty-five (45) days following the effective date of layoff. Job search assistance shall include job and career counseling, resume preparation, and job search assistance at City expense.

Salary in Event of Change Due to Layoff

An employee's rate of compensation in the event of position change resulting from layoff shall be the salary step in the classification to which the employee is laid off which is closest to the base salary received immediately prior to layoff.

Notice of Layoff

The City will notice the employee to be laid off and the employees who will be impacted by bumping by registered mail or hand delivery. Affected employee organizations shall be noticed concurrently by registered mail. The notice shall be sent to the mailing address as shown on the employee's last paycheck unless a more recent address has been provided to the Human Resources Department by the employee. After notice to the employee and employee organizations, the names of employees to whom layoff notices have been sent will be posted at the Human Resources Department in City Hall. The notice shall state the layoff action to be taken, the options available to the employee, reemployment rights, and layoff procedures. Employees shall have ten (10) calendar days to inform the Human Resources Department in writing of the decisions on options stated in the notice. In the event that the employee fails to state their decision, the City shall select an option and City's decision shall not be subject to appeal. The City shall select an option that retains employment with the City if such option exists. The failure to receive notice shall not be grounds to set aside actions taken.

Effective Date of Layoff

Thirty (30) calendar days after notice is mailed to the employee, unless a later effective date is stated in the notice. An appeal shall not modify the effective date, provided, however, that where an appeal is successful and the layoff is nullified the employee shall be provided salary and benefits as if there was not a layoff.

Appeal of Layoff

An employee may not appeal the decision to lay off his/her position, but may appeal the order of layoff, the bumping provisions (except the test or results of a test of qualifications), and the seniority computation by filing a written appeal with the Human Resources Department stating the basis of the appeal. An appeal must be filed within fourteen (14) calendar days of mailing of notice. The appeal shall be heard by the City Manager/designee within ten (10) calendar days of filing the appeal. A decision will be rendered within ten (10) calendar days of the hearing. Notice will be given by first class mail to the employee and the Association. A further appeal to the Personnel Board may be filed within five (5) calendar days of mailing by filing a written appeal with the Human Resources Office stating the basis for the appeal. The hearing will be held within ten (10) calendar days of the filing of the appeal or as soon thereafter as a quorum of the Board may be gathered and a decision rendered within five (5) calendar days of the hearing.

Recall and Reinstatement

Employees shall be entitled to recall rights to the position from which they were laid off or bumped for a period of two (2) consecutive years from the effective date of layoff or bumping. The effective date of layoff or bumping shall be the employee's last day of work in the classification from which they were laid off or bumped.

When a vacancy occurs in a job classification, laid off or bumped employees eligible to return to that job classification shall be recalled in the inverse order of bump or layoff. Permanent employees who were laid off or bumped are eligible to return to the job classification in which permanent status was held. Employees reinstated under this Section shall not be subject to a new probationary period. Probationary employees who did not have permanent status at the time of layoff shall be required to serve the remainder of any probationary period upon recall.

When a vacancy exists and employees are to be recalled, notice of the opening(s) shall be sent to the mailing address as shown on the employee's last paycheck unless a more recent address has been furnished by the laid off/bumped employee. To expedite recall, more than one employee may be notified of an opening.

The employee shall have fourteen (14) calendar days to reply to City from the date of mailing of the recall notice. If employees fail to respond within fourteen (14) calendar days of notice to the City, they shall lose all recall rights. It is the responsibility of the employee who has been laid off to keep the City informed of their address and telephone number. The City has no responsibility to attempt to trace an employee if notice of reinstatement is not delivered by the Post Office.

Employees reinstated after layoff shall be treated as though they have been on leave of absence without pay in computing salary, vacation, sick leave and other benefits. The right to reinstatement is contingent upon the ability of the employee to perform the essential functions of the position to which the employee is being returned.

REEMPLOYMENT

Any permanent employee, separated from a position through resignation and without fault of delinquency on their part, upon recommendation of the reemploying Department Head may be reemployed to the former position, or to another position in the same class, within two (2) years, provided there is an authorized vacancy and the employee meets the requirements for employment. Reemployed employees shall be subject to a probationary period, and upon the recommendation of the

reemploying Department Head, may receive credit for former employment in the determination of the amount of vacation allowance, sick leave, other benefits and their salary step.

DISCIPLINARY ACTION

Employees who are safety personnel covered by the Police Officers' Bill of Rights (POBR) ~~or the Firefighter Bill of Rights (FBOR)~~ shall continue to have those rights afforded them.

The term "disciplinary action" shall include the following actions which may be taken by a Department Head:

- B. Suspension without pay up to thirty (30) calendar days;
- C. Salary reduction;
- D. Demotion; or
- E. Dismissal.

A reduction in hours or a change in schedule, scheduling for workload reasons, a change in work assignment, layoff, letter of reprimand, and performance evaluations shall not be considered as discipline (unless otherwise noted above).

Whenever a disciplinary action is proposed to be taken against a deputy director, he/she shall be notified in writing of the proposed disciplinary action at least five (5) working days in advance of the pre-disciplinary ("Skelly") hearing. "Working days" is defined as days on which City Hall is open for business. Such written notification shall include a statement of the proposed disciplinary action to be taken; a statement of the facts upon which the disciplinary action is based which shall set forth clearly and with such particularity the charges against the employee so he/she can understand said charges; a statement indicating the cause for the disciplinary action pursuant to the Personnel Rules or other relevant City policies; and a statement describing any actions taken against the employee in the past.

Whenever disciplinary action is taken against a deputy director, he/she shall be notified in writing of the action taken. Such written notification shall include a statement of the disciplinary action taken; a statement of the facts upon which the disciplinary action is based, which shall set forth clearly and with such particularity the charges against the employee so he/she can understand said charges; a statement indicating the cause for the disciplinary action pursuant to the Personnel Rules or other relevant City policies; a statement describing any actions taken against the employee in the past; and a statement advising the employee that the written notice is to be placed in his/her official personnel file and that he/she has a right to appeal to the Personnel Board. A Department Head may impose discipline immediately.

APPEAL OF DISCIPLINARY ACTION

A deputy director can appeal the receipt of disciplinary action to the Personnel Board by delivering a written notice of appeal to the Human Resources Department within ten (10) working days of the date the written notice of disciplinary action was served upon him/her. In the event the deputy director fails to deliver a notice of appeal to the Human Resources Department within said ten (10) working day period, the disciplinary action shall become final, and the Deputy Director shall have no further right to appeal.

The written notice of appeal filed with the Human Resources Department shall not be required to be in any particular format; however, it shall contain at least the following information:

2. The date of the disciplinary action and a statement to the effect that the deputy director appeals the disciplinary action; and
3. The notice of appeal shall be dated and signed by the deputy director or by his/her representative.

When the Human Resources Department receives a notice of appeal which complies with the requirements set forth herein, the Human Resources Director shall schedule the matter for hearing. For a Letter of Reprimand (for employees covered by the POBR ~~and the FBOR~~ only), the hearing is with the Department Head or his/her designee. For suspension without pay, in-grade salary reduction, demotion, or dismissal, the hearing is scheduled at the next available regular meeting of the Personnel Board at least fifteen (15) working days after receipt of the notice of appeal. ~~For employees covered by the FBOR, an administrative law judge shall preside at the appeal hearing, rule on the admission and exclusion of evidence, and advise the Personnel Board on matters of law. The Personnel Board itself shall exercise all other powers relating to the conduct of the appeal hearing.~~

For Letters of Reprimand issued to employees covered by the POBR ~~or the FBOR~~, the Department Head or his/her designee shall render a final decision concerning the appeal following the hearing, within ten (10) days after the matter is submitted.
