Subject: Safe Storage of Firearms Ordinance

Dear Council Members,

I beg you to vote YES on the Safe Storage of Firearms Ordinance coming up during your July 20 Council Meeting. This is a common sense, easy-to-comply-with rule that will help prevent accidental shootings (especially by, and of, our youngest most vulnerable residents) as well as gun thefts. Please move to pass this ordinance to protect all residents from preventable tragedies.

With much gratitude,
Dr. Lynn Sydor Israelit

Subject: Please vote YES on the safe storage ordinance

Dear Council Member Papan,

I live in San Mateo. Too many families lose children to unsafely stored firearms. Their lives are damaged irreparably. This could be avoided if the firearms were safely stored. Please vote YES on the safe storage ordinance in the upcoming July 20th meeting.

Thank you,
Jennifer Morris

Dear Council Members,

I strongly support the Safe Storage of Firearms Ordinance. We know that suicides, homicides, and gun accidents in the home decrease when guns are required to be safely stored. Please make our county safer by voting YES on this ordinance.

Thank you,

Subject: Approve safe storage of firearms

I've lived on the peninsula for 48 years and care deeply about the safety of San Mateo for all its citizens. I urge you to vote **YES on the Safe Storage of Firearms Ordinance** at your upcoming city council meeting. Every year, almost 600 children die by suicide with a gun and almost 5 million American children live in homes with guns that are both loaded and unlocked. Most gun violence is preventable and you have a responsibility to encourage responsible gun ownership.

Many other cities in San Mateo county have already passed this important and life-saving measure. It's one small step towards having more common sense gun solutions to keep our communities on the peninsula thriving. Thank you for your consideration. Please vote YES!
