Subject: Upcoming vote on firearm safe storage ordinance

Hello,

I am a resident of San Mateo and a proud volunteer for Moms Demand Action. I was happy to hear that the council will soon be voting of the firearm safe storage ordinance. I was proud to be at the meeting (wearing our signature Moms Demand Action red) when the ordinance was introduced back in January.

I encourage you all to vote yes and pass the safe storage ordinance!

As I'm sure you are aware after considering this issue, that with nearly one-third of households in the U.S., safe storage practices can play a vital role in reducing the risk of gun violence, particularly among children, due to unintentional shootings and gun suicides.

Thank you so much for considering this issue and working to prevent gun violence in our community.

Thanks,
Kate Pisano

Please support the San Mateo Safe Firearm storage ordinance

Dear San Mateo City Council and Clerk,

I write to express my opposition to agenda item #27, safe gun storage.

The proposed ordinance is unnecessary. California already has laws that address safe gun storage. There is no need to add more to what already exists. The reduplication would only make it even more difficult for citizens to exercise what is a constitutionally protected right.

There is no crisis of gun related accidents in the City that requires this ordinance. The attention of the city council would be better directed toward the dangerous traffic situation in San Mateo that really is putting lives, including and especially those of children, at risk.

Sincerely yours,

Mary Frances Williams, Ph.D.
