

# Sale of Flavored Tobacco Products and Electronic Cigarettes

September 8, 2020

Shawn M. Mason  
City Attorney

# AGENDA/OVERVIEW

- Background
- City's Existing Regulations
- Requested Regulations
- SB 793
- Additional Requests
- Council Direction

- Background
- 2019: A group of concerned residents requested that the city council consider adopting regulations to address the sale of flavored tobacco and electronic cigarettes within the city
- The council directed staff to research the legal issues and report back to the council for direction

- Existing City Regulations
  - Limits on where smoking may occur
  - Retailer permit required
  - No sales through self service displays
  - No sales through vending machines

- Requested Regulations
  - Ban on flavored tobacco products (including e-cigarettes)
  - Ban to include mint and menthol
  - Prohibit sale of tobacco products at pharmacies

- SB 793
  - Late August Legislature passes SB 793 (Hill)
  - Prohibits sale of flavored tobacco products including e-cigs
  - Prohibited flavors include menthol and mint
  - Exception for certain products:
    - Tobacco smoked in a hookah
    - Loose leaf tobacco
    - Premium cigars

- Additional Requests
  - Ban sale of tobacco products in pharmacies
  - Prohibit flavored products not prohibited by SB 793
  - Prohibit sale of e-cigs in city

- Council Direction

- Draft an ordinance for council consideration?
- What should be included?
  - Ban on sales in pharmacies?
  - Ban flavored products allowed by SB 793?
  - Ban sale of e-cigarettes in the City?

# Thank You

Shawn M. Mason
