

**CITY OF SAN MATEO
RESOLUTION NO. _____(2020)**

**ACCEPTING THE ANNUAL REPORT ON RECEIPT AND USE OF DEVELOPMENT IMPACT FEES, IN-LIEU FEES,
AND LINKAGE FEES FOR THE YEAR ENDED JUNE 30, 2020 AND MAKING FINDINGS REGARDING
DEVELOPMENT IMPACT FEES COLLECTED BUT NOT EXPENDED**

WHEREAS, Government Code Sections 66000 et seq., commonly known as the Mitigation Fee Act, regulate the imposition, collections, expenditure, and reporting of development impact fees; and

WHEREAS, Government Code Section 66001 requires that certain information be made available to the public regarding development impact fees on an annual basis; and

WHEREAS, Government Code Section 66001 requires the City Council to make findings describing the continuing need for impact fees every five years specifying the intended use of any unexpended impact fees; and

WHEREAS, the City of San Mateo assesses four development impact fees – Wastewater Treatment Plant Phase II Expansion Fee, Transportation Improvement Fee, South Trunk Area Sewer Improvement Fee, and Park Impact Fee; and

WHEREAS, the City of San Mateo also collects in-lieu fees and linkage fees; and

WHEREAS, even though a court has not yet ruled that linkage fees are subject to the state Mitigation Fee reporting requirements, the City of San Mateo adheres to those requirements for linkage fees in addition to development impact fees;

WHEREAS, the City Council of the City of San Mateo has read and considered the Development Impact Fees, In-Lieu Fees, and Linkage Fees Annual Report for the Year Ended June 30, 2020, and all accompanying attachments; and

WHEREAS, acceptance of this report is an administrative activity that will not impact the environment and is therefore exempt from CEQA review in accordance with CEQA Guidelines section 15378(b)(5).

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN MATEO, CALIFORNIA,
FINDS AND RESOLVES, that:

1. The City Council accepts the Development Impact Fees, In-Lieu Fees, and Linkage Fees Annual Report (Report) for the Year Ended June 30, 2020, with attachments, and a copy is on file in the City Clerk's Office.
2. Based on the Report and the schedule for expenditure of improvements attached as Exhibit A to this resolution, the City Council makes the following findings with regard to the development impact fees and linkage fees collected but not expended in Fiscal Year 2019-2020 and listed below:
 - a. Wastewater Treatment Plant Phase II Expansion Fee:
 - (1) This fee is used to build wastewater treatment plant infrastructure that is necessary to serve new development.

- (2) There is a reasonable relationship between the fee and its purpose, because the amount of the fee is determined based on the anticipated amount of wastewater that will be generated by new development.
- (3) The sources and amounts of funding anticipated to complete the financing of the incomplete public improvements are shown in Exhibit A.
- (4) The approximate dates on which the necessary funding is expected to be deposited are shown in Exhibit A.

b. Transportation Improvement Fee

- (1) This fee is used to build transportation infrastructure that is necessary to serve new development.
- (2) There is a reasonable relationship between the fee and its purpose, because the amount of the fee is determined based on the anticipated amount of traffic that will be generated by new development.
- (3) The sources and amounts of funding anticipated to complete the financing of the incomplete public improvements are shown in Exhibit A.
- (4) The approximate dates on which the necessary funding is expected to be deposited are shown in Exhibit A.

c. South Trunk Area Sewer Improvement Fee

- (1) This fee is used to build sewer infrastructure that is necessary to serve new development.
- (2) There is a reasonable relationship between the fee and its purpose, because the amount of the fee is determined based on the anticipated amount of sewage that will be generated by new development.
- (3) The sources and amounts of funding anticipated to complete the financing of the incomplete public improvements are shown in Exhibit A.
- (4) The approximate dates on which the necessary funding is expected to be deposited are shown in Exhibit A.

d. Park Impact Fee

- (1) This fee is used to develop parkland and parkland improvements that are necessary to serve new development.
- (2) There is a reasonable relationship between the fee and its purpose, because the amount of the fee is determined based on the need for parkland and parkland improvements that will be generated by new development.
- (3) The sources and amounts of funding anticipated to complete the planned projects are shown in Exhibit A.
- (4) The approximate dates on which the necessary funding is expected to be deposited are shown in Exhibit A.

e. Child Care Development Fee

- (1) This fee will be used to support child care facilities that are necessary in order to serve new development.
- (2) There is a reasonable relationship between the fee and its purpose, because the amount of the fee is determined based upon the anticipated need for child care that will

be generated by new commercial development.

(3) The sources and amounts of funding expected to complete the anticipated projects are shown in Exhibit A.

(4) The approximate dates on which the necessary funding is expected to be deposited are shown in Exhibit A.

f. Affordable Housing Commercial Linkage Fee

(1) This fee will be used to support affordable housing that are necessary in order to serve new development.

(2) There is a reasonable relationship between the fee and its purpose, because the amount of the fee is determined based upon the anticipated need for affordable housing that will be generated by new commercial development.

(3) The sources and amounts of funding expected to complete the anticipated projects are shown in Exhibit A.

(4) The approximate dates on which the necessary funding is expected to be deposited are shown in Exhibit A.
