Parties acknowledge that each City is and will remain solely responsible for arranging and conducting hearings under its Dangerous and Vicious

Agreement No. _____

AGREEMENT FOR ANIMAL CARE AND CONTROL SERVICES BETWEEN THE COUNTY OF SAN MATEO AND PENINSULA HUMANE SOCIETY & SPCA, A CALIFORNIA NONPROFIT CORPORATION

This Agreement is entered into this first day of July, 2021, by and between the County of San Mateo, a political subdivision of the state of California, hereinafter called "County," and Peninsula Humane Society & SPCA, a California Nonprofit Corporation, hereinafter called "Contractor."

* * *

Whereas, pursuant to statutory authority including but not limited to, Section 31000 of the California Government Code, Section 31106 of the Food and Agriculture Code, and Sections 14501 and 14503 of the Corporations Code, County may contract with independent contractors for the furnishing of animal care, control and shelter services to or for County or any Department thereof; and

Whereas, it is necessary and desirable that Contractor be retained for the purpose of providing Animal Care, Control, and Shelter services to the County and participating cities as set forth in this Agreement for Animal Care and Control Services ("Agreement").

The following exhibits and attachments are attached to this Agreement and incorporated into this Agreement by this reference:

- Exhibit A – Services
- Exhibit B - Payments and Rates
- Exhibit C– Excluded Services
- Exhibit D – Contract Areas (County and Participating Cities)
- Exhibit E – Fees to be Collected for Services Provided
- Exhibit F – Five-Year Budget
- Attachment H - Health Insurance Portability and Accountability Act (HIPAA) Business Associate Requirements
- Attachment I - Fingerprinting Certification Form
- Attachment J - Rabies Algorithm
- Attachment K - Animal Shelter Facility Use and Maintenance Agreement

2. Services to be performed by Contractor

In consideration of the payments set forth in this Agreement and in Exhibit B, Contractor shall perform services for County and Participating Cities listed on Exhibit D in accordance with the terms, conditions, and specifications set forth in this Agreement and in Exhibit A, and the other Exhibits and Attachments incorporated by reference into this Agreement.

3. Payments

In consideration of the services provided by Contractor in accordance with all terms, conditions, and specifications set forth in this Agreement and in Exhibit A and other Exhibits and Attachments incorporated into this Agreement, County shall make payment to Contractor based on the rates and in the manner specified in Exhibit B. Payments shall begin within 45-days after Contractor and County each execute this Agreement.

County reserves the right to withhold payment if County determines that the quantity or quality of the work performed is unacceptable. If County exercises this right, it must first provide Contractor with a 30-day written notice of intent to withhold payment wherein County describes the nature of the unacceptable work and how Contractor's work fails to conform to the terms of this Agreement. If Contractor fails to remedy unacceptable work after having received thirty days prior written notice, then County may delay payment until the deficiency is corrected. However, if Contractor reasonably demonstrates that it is not feasible to remedy the unacceptable work within thirty days, Contractor shall have up to an additional thirty days to remedy the work before payment will be withheld.

In no event shall County's total fiscal obligation under this Agreement exceed THIRTY TWO MILLION FIVE HUNDRED FORTY EIGHT THOUSAND NINE HUNDRED EIGHTY NINE DOLLARS AND NINETY ONE CENTS (\$32,548,989.91). In the event that the County makes any advance payments, Contractor agrees to refund any amounts in excess of the amount owed by the County at the time of contract termination or expiration. Contractor is not entitled to payment for work not performed as required by this Agreement.

4. Term

Except as otherwise provided herein, and subject to compliance with all terms and conditions, the term of this Agreement shall be from July 1, 2021 through June 30, 2026. The parties may extend the term for an additional three years if the parties mutually agree in writing. This Agreement becomes effective only after all jurisdictions identified on Exhibit D as Participating Cities adopt it by entering into the agreement for animal control services between the County and participating cities. If such County/Services Agreement is not adopted by all jurisdictions shown on Exhibit D, this Services Agreement is null and void in its entirety unless Contractor and any of the jurisdictions shown on Exhibit D agree to use it as the basis for a Services Agreement applicable to those parties providing such written consent, with such changes in payment, scope of service, and other terms as the parties may agree.

5. Termination

This Agreement may be terminated by Contractor or County or designee at any time without a requirement of good cause upon 365 days' advance written notice to the other party. Contractor shall be entitled to receive payment for services provided prior to the effective date of termination of the Agreement. Such payment shall be the prorated portion of the full payment determined by comparing the services actually completed to the services required by the Agreement. The Contractor shall have no right to or claim against the County or any Participating City for the balance of the contract amount.

In the event of a material breach of this Agreement by either party, the other party shall notify the breaching party of such material breach and that such breach must be cured within thirty (30) calendar days of the notice, except that if the breaching party reasonably demonstrates that it is not feasible to cure the breach within thirty (30) calendar days, the breaching party shall have the number of days

beyond thirty (30) calendar days reasonably needed to cure the breach up to an additional thirty (30) calendar days.

In the event the breaching party does not cure the material breach within the applicable time period, the notifying party may immediately terminate this Services Agreement or seek any other applicable legal remedies for such material breach. Termination is effective on the date specified in the written notice. In any event of termination under this paragraph, Contractor shall be paid for all approved work performed prior to termination. Contractor shall have no right to, or claim against County or any contracting City for, the balance of the contract amount.

6. Contract Materials

At the end of the term of this Agreement, or in the event of termination, all finished or unfinished documents, data, studies, maps, photographs, reports, and other written materials (collectively referred to as "contract materials") prepared by Contractor in performance of services under this Agreement shall become the property of County and shall be promptly delivered to County. Upon termination, Contractor may make and retain a copy of such contract materials if permitted by law.

7. Relationship of Parties

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent contractor and not as an employee of County and that neither Contractor nor its employees acquire any of the rights, privileges, powers, or advantages of County employees.

8. Hold Harmless and Indemnification

Contractor shall hold harmless and indemnify the County, and each Participating City listed in Exhibit D as third party beneficiaries of this Agreement, their officers, agents, and employees from all claims, suits or actions of every name, kind and description, brought for, or on account of: injuries to or death of any person, including but not limited to Contractor or its agents, officers or employees, or damage to property of any kind whatsoever and to whomsoever belonging, including but not limited to Contractor or its agents, officers, or employees, or any other loss or cost, resulting from the performance or nonperformance of any work or obligations required by the Agreement of Contractor; any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply, if applicable, with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended; and/or from any activities undertaken by Contractor, its officers, employees or agents, under this Agreement, and which result from the negligent or intentional acts or omissions of Contractor, its officers or employees.

The duty of Contractor to hold harmless and indemnify as set forth herein, shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

County shall hold harmless and indemnify the Contractor, its officers, agents, and employees from all claims, suits or actions of every name, kind and description, brought for, or on account of injuries to or death of any person, including but not limited to County or its agents, officers or employees, or damage to property of any kind whatsoever and to whomsoever belonging, including but not limited to County or its agents, officers, or employees, or any other loss or cost, resulting from the performance or nonperformance of any work or obligations required by the Agreement of County; any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply, if applicable, with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended; and/or from any activities undertaken by County, its officers, employees or agents, under this Agreement, and which result from the negligent or intentional acts or omissions of County, its officers or employees.

The duty of County to hold harmless and indemnify, as set forth herein, shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

In the event of concurrent negligence of the County, its officers, agents and/or employees, and the Contractor, its officers, agents and/or employees, then the liability for any and all claims for injuries or damages to persons and/or property or any other loss or costs which arise out of the terms, conditions, covenants, promises and responsibilities of this Agreement, shall be apportioned according to the California theory of comparative negligence. This provision shall survive termination of this Agreement.

9. Assignability and Subcontracting

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without County's prior written consent shall give County the right to automatically and immediately terminate this Agreement without penalty or advance notice.

10. Insurance

a. General Requirements

Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this Section has been obtained and such insurance has been approved by County's Risk Management, and Contractor shall use diligence to obtain such insurance and to obtain such approval. Contractor shall furnish County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending Contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

b. Workers' Compensation and Employer's Liability Insurance

Contractor shall have in effect during the entire term of this Agreement workers' compensation and employer's liability insurance providing full statutory coverage. In signing this Agreement, Contractor certifies, as required by Section 1861 of the California Labor Code, that (a) it is aware of the provisions of Section 3700 of the California Labor Code, which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and (b) it will comply with such provisions before commencing the performance of work under this Agreement.

c. Liability Insurance

Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor's operations under this Agreement, whether such operations be by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:

(a) Comprehensive General Liability... \$1,000,000

(b) Motor Vehicle Liability Insurance... \$1,000,000

(c) Professional Liability..... \$1,000,000

County and its officers, agents, and employees and participating cities and their officers, agents and employees shall be named as additional insured on any such policies of insurance, which shall also contain a provision that (a) the insurance afforded thereby to County and its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy and (b) if the County or its officers, agents, employees, and servants have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

11. Compliance With Laws

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, ordinances, and regulations, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Federal Regulations promulgated thereunder, as amended (if applicable), the Business Associate requirements set forth in Attachment H (if attached), the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in programs and activities receiving any Federal or County financial assistance. Such services shall also be performed in accordance with all applicable ordinances and regulations, including but not limited to appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations. In the event of a conflict between the terms of this Agreement and any applicable State, Federal, County, or municipal law or regulation, the requirements of the applicable law or regulation will take precedence over the requirements set forth in this Agreement.

Contractor will timely and accurately complete, sign, and submit all necessary documentation of compliance.

12. Non-Discrimination and Other Requirements

a. General Non-discrimination

No person shall be denied any services provided pursuant to this Agreement (except as limited by the scope of services) on the grounds of race, color, national origin, ancestry, age, disability (physical or mental), sex, sexual orientation, gender identity, marital or domestic partner status, religion, political beliefs or affiliation, familial or parental status (including pregnancy), medical condition (cancer-related), military service, or genetic information.

Contractor shall comply with Section 504 of the Rehabilitation Act of 1973, as amended, which provides that no otherwise qualified individual with a disability shall, solely by reason of a disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination in the performance of any services this Agreement. This Section applies only to contractors who are providing services to members of the public under this Agreement.

d. Compliance with County's Equal Benefits Ordinance

Contractor shall comply with all laws relating to the provision of benefits to its employees and their spouses or domestic partners, including, but not limited to, such laws prohibiting discrimination in the provision of such benefits on the basis that the spouse or domestic partner of the Contractor's employee is of the same or opposite sex as the employee.

e. Discrimination Against Individuals with Disabilities

The nondiscrimination requirements of 41 C.F.R. 60-741.5(a) are incorporated into this Agreement as if fully set forth here, and Contractor and any subcontractor shall abide by the requirements of 41 C.F.R. 60-741.5(a). This regulation prohibits discrimination against qualified individuals on the basis of disability and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities.

f. History of Discrimination

Contractor certifies that no finding of discrimination has been issued in the past 365 days against Contractor by the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or any other investigative entity. If any finding(s) of discrimination have been issued against Contractor within the past 365 days by the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or other investigative entity, Contractor shall provide County with a written explanation of the outcome(s) or remedy for the discrimination prior to execution of this Agreement. Failure to comply with this Section shall constitute a material breach of this Agreement and subjects the Agreement to immediate termination at the sole option of the County.

g. Reporting; Violation of Non-discrimination Provisions

Contractor shall report to the County Manager the filing in any court or with any administrative agency of any complaint or allegation of discrimination on any of the bases prohibited by this Section of the Agreement or the Section titled "Compliance with Laws". Such notification shall include a general description of the circumstances involved and a general description of the kind of discrimination alleged (for example, gender-, sexual orientation-, religion-, or race-based discrimination).

Final adjudication in an appropriate forum determining that a violation of the non-discrimination provisions of this Agreement occurred, shall be considered a breach of this Agreement and subject the Contractor to penalties, to be determined by the County Manager from among the following:

- i. termination of this Agreement; and/or
- ii. liquidated damages of \$2,500 per violation; and/or
- iii. no penalty based on the County Manager determining that the incident does not warrant further action; and/or
- iv. imposition of other applicable civil remedies and sanctions as provided by law.

To effectuate the provisions of this Section, the County Manager shall have the authority to offset all or any portion of the amount described in this Section against amounts due to Contractor under this Agreement or any other agreement between Contractor and County.

The policy may provide that such employees deposit any fees received for such jury service with Contractor or that the Contractor may deduct from an employee's regular pay the fees received for jury service in San Mateo County. By signing this Agreement, Contractor certifies that it has and adheres to a policy consistent with Chapter 2.85. For purposes of this Section, if Contractor has no employees in San Mateo County, it is sufficient for Contractor to provide the following written statement to County: "For purposes of San Mateo County's jury service ordinance, Contractor certifies that it has no full-time employees who live in San Mateo County. To the extent that it hires any such employees during the term of its Agreement with San Mateo County, Contractor shall adopt a policy that complies with Chapter 2.85 of the County's Ordinance Code." The requirements of Chapter 2.85 do not apply if this Agreement's total value listed in the Section titled "Payments", is less than one-hundred thousand dollars (\$100,000), but Contractor acknowledges that Chapter 2.85's requirements will apply if this Agreement is amended such that its total value meets or exceeds that threshold amount.

14. Retention of Records; Right to Monitor and Audit

(d) County agrees that if any entity or person makes a request under the California Public Records Act (CPRA) or an analogous federal, state, or local law or regulation to the County or a Participating City, of which County is aware, for documents or records possessed by Contractor but not by the County or Participating City, relating to this Agreement, or documents that Contractor submitted in its response to the request for proposals related to this Agreement and marked confidential, or documents related to the negotiation, or finalization of this Agreement, County will notify Contractor of such request. If Contractor fails to respond within 72 hours, Contractor shall be deemed to stipulate that the requested documents are subject to disclosure pursuant to the request and Contractor shall immediately thereafter make copies of the documents available to the County or a participating City, as the case may be, for disclosure to the requesting party.

If Contractor responds to the County within 72 hours of such notice by the County and asserts, in writing, that exemptions to disclosure requirements under the CPRA apply, and the County or Participating City as applicable agrees that such documents are not subject to disclosure, in whole or in part, under the CPRA, Contractor shall provide a redacted copy of the documents for County or City to disclose in lieu of unredacted documents for any documents that must be disclosed. In the event that County or the Participating City disagrees with Contractor's position that any document or portion thereof is not subject to disclosure, in order to prevent disclosure of such documents, Contractor shall promptly and in any case within ten (10) calendar days of notice of the request, seek a protective court order for non-disclosure of any such records. If Contractor fails to obtain a protective order, such documents may be disclosed by County or City. Contractor shall indemnify and hold harmless County and Participating Cities for any damage, cost or loss caused by Contractor's decision to assert that such records are, whole or in part, not subject to disclosure.

 - a) Request written approval from the County Program Manager of Animal Control and Licensing Manager or other designated County Contract Administrator. The County will respond to such requests in writing within 3 business days. In the event of a need to house animals for another county during a disaster, the County will respond within 24 hours. If the County grants such approval, the written notice of approval will state the maximum number of animals the Contractor is allowed to transfer in pursuant to that consent based upon factors including available shelter space. Detailed documentation on an appropriate Federal Emergency Management Agency (FEMA) form will be kept to record, on a daily basis, on the number of Contractor staff caring for the animals to include hours worked, along with supplies, as well as number of days sheltered for each animal. This will allow for reimbursement if declared a federal disaster, or reimbursement from other local jurisdictions.
 - b) Periodically, and only as space and resources allow, Contractor may purposefully transfer, house or bring into the County shelter animals from another animal shelter, partner group or agency within or outside the County to be housed in the County Shelter for the purpose of adoption at the Contractor's other shelter or location only if a monthly report is sent to the Program Manager of Animal Control and Licensing or their designee outlining the number of animals transferred into the shelter along with each animal's individual animal identification number. The cost will be calculated by the number of days that animal is housed at the County shelter at the rate of \$15 per animal per day. This rate may be adjusted annually, based on changes to Consumer Price Index and the Parties will meet and confer before the rate is adjusted. In addition to this daily rate, the Contractor will reimburse the County and Participating Cities for the actual costs of vaccines, flea treatment, dewormer, DTM cultures, canine heartworm and feline FIV/FeLV tests on a per animal basis. The Contractor will reimburse the County and Participating Cities each quarter of the fiscal year and will provide a report in a form reasonably satisfactory to the County and Participating Cities that details the fees owed pursuant to the applicable daily rate and any other applicable costs to be reimbursed to the County and Participating Cities. This obligation to reimburse the County and the Participating Cities does not apply to situations where an animal needs to be transferred in to the County shelter where the animal is held because of a bite or potential dangerous dog designation and where the incident occurred in San Mateo County, but the animal was first taken to another animal shelter. In such cases, the animal shall be classified as a "Transfer in" in the Chameleon software intake statistics.

Contractor will also reimburse the County and Participating Cities at the rate described above and shall reimburse the County and Participating Cities for the above-described expenses for any animal impounded by the nonprofit for a Cruelty case and housed at the County Animal Shelter. Detailed notes by staff must be entered into the Chameleon database (or any successor system) and should describe the reason for the animal being transfer back into the County shelter.

2. In cases where the Contractor transfers an animal back to the County Shelter for any reason, the Contractor will pay for the care of the animal and not use contract funds or staff being paid for by the contract. If the Contractor desires, animals may be placed prior to the expiration of the three (3) week hold period. Contractor will decide which animals will be transferred to the Lantos Center for adoption.
3. As an alternative to euthanizing feral cats when cat caretakers are unavailable, will either 1) release the feral cats to an organization that will Trap-Neuter-Return (TNR) the cats, 2) TNR the cats themselves, or 3) develop a plan on how to handle feral cats to improve the live release rate (e.g. implementing a barn or working cat program).

In no event shall the County provide additional reimbursement for costs overruns without approval of the Board of Supervisors and contracting Cities' representatives.

2. If county or state laws are passed during the term of this Services Agreement that require a greater level of service, County agrees to negotiate in good faith with Cities and Contractor to reimburse Contractor for additional costs associated with implementing the new laws. Should such amendments result in significantly increased costs to Contractor, Parties agree to negotiate in good faith to agree on appropriate reimbursement. If Parties are unable to agree on reimbursement costs, Contractor shall document the increased costs and submit to the County Controller. The Controller will conduct an independent audit. Attachment J Rabies Algorithm

QUARANTINE ALGORITHM FOR EXPOSED DOMESTIC MAMMALS - GENERAL

NOTES

- 1** Ferrets are illegal in the State of California. Biting ferrets must be confiscated by the animal control agency and isolation conducted under the direction of the local health officer in an animal control shelter or veterinary hospital. Any ferret isolated for a human bite must be reported to the California Department of Fish and Wildlife for disposition following the isolation.
- 2** Rabies is transmitted through bite wounds, open cuts in skin, and onto mucous membranes. Contamination of open wounds, mucous membranes, or scratches with saliva or nerve tissue from an infected animal constitutes a non-bite exposure.
- 3** Current rabies vaccination per California Health & Safety Code Section 121690.
- 3a** Exempt animals are animals that have been granted an exemption from rabies vaccination by the County of San Mateo's Health System on advice of the animal's veterinarian. Despite current exemption status, exempt animals are considered unvaccinated per California Health & Safety Code Section 121690.
- 4** The Peninsula Humane Society & SPCA's Animal Rescue and Control determines if an animal's home qualifies for home quarantine or shelter quarantine. Contact: (650) 340-7022
- 5** Vaccination in biting animals should be performed following quarantine as side effects secondary to vaccination (within 30 days) can mimic the symptoms of rabies.
- 6** Small rodents and lagomorphs have a low risk of rabies.
- 7** These are wild animals at high risk for infection with rabies.
- 8** Bat bites are small and may go unnoticed. If a pet is found alone with a bat, that pet should be treated as exposed. If the bat is available, animal control should be contacted to retrieve the bat for testing.
- 9** Dogs and cats are considered currently vaccinated 28 days after primary vaccination, and immediately after booster vaccination.
- 10** San Mateo County guidelines are based on Title 17 of the California Code of Regulations that states exposed, vaccinated animals should be quarantined for 30 days.
- 11** Wild, nondomestic, and other animal species bitten by or exposed to a rabid or suspect rabid animal should be euthanized immediately. There is little information on rabies incubation, clinical presentation, and viral shedding in domestic animal species other than dogs, cats, and ferrets.
- 12** Federal guidelines state that animals exposed to rabies within 8 months should be rejected for slaughter. USDA Food and Inspection Service (FSIS) and state meat inspectors should be notified of exposed animals prior to slaughter. If an exposed animal is to be custom or home slaughtered, it should be done immediately after exposure with appropriate barrier precautions and all tissues cooked thoroughly. Pasteurization and cooking inactivate the rabies virus.

B. Additional services:

1. Costs associated with additional services as outlined in Section IV are based on the actual costs of each service as performed and are charged to the Contractor by invoice from Facilities Services. Each service will have a cost per unit time or occurrence.
 - (i) For work performed by Facilities Services staff, labor rates are hourly based on classification and include overhead. Materials and supplies are billed at their actual cost.
 - (ii) For work that must be contracted out, Facilities Services will request estimates from qualified and reputable companies and award the job to the low bidder. Contractor will be billed for the actual cost of the work. Facilities Services will send an invoice to the County Health system who in turn will send invoice to the Contractor of the amount and Contractor will pay within 30 calendar days. If invoice is not timely paid, County will deduct the past due amount from Contractor's next monthly payment.

Section VIII. Billing Procedures and Tracking Information

A. Tracking Information

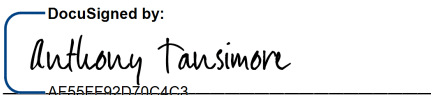

1. Because a large percentage of work performed by Facilities Services is associated with building systems and structures, baseline services are tracked by building rather than by individual department. Facilities Services staff will record labor and material costs for each activity performed in a building, and these costs are then reflected in the report sent quarterly to the Contractor and the Animal Control Manager, San Mateo County Health. Contractor will be charged for services rendered on an ongoing basis and not based on a predetermined amount.
2. The cost for additional services is tracked by work authorization. Prior to receiving a service, the Contractor will set aside a dollar amount equal to the estimated cost for that service. As services are rendered and costs are incurred, the invoices will be sent to County Health System Animal Control Manager and then to the Contractor. The cost will be taken out of animal control Contract Funds by the Contractor, who will pay the invoice within 30 calendar days or the County will deduct the overdue amount from Contractor's next payment.
3. If there is a dispute raised by Contractor, within three business days of receipt of the Invoice, regarding the accuracy of charges in an invoice, the parties shall use best efforts to resolve the dispute expeditiously. If while using best efforts, the parties have not resolved the dispute within 30 calendar days, Contractor shall not be in breach if the parties agree that they are working in good faith to resolve the dispute.

B. Building Manuals, Drawings, Training

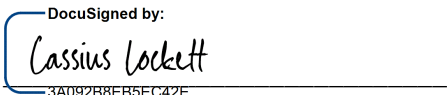

In preparation for this, Contractor is to receive copies of all warranties, as-builts, operating and maintenance materials, and is to participate in all trainings provided by the Shelter's general contractor to DPW for the systems that Contractor will be maintaining. The intent is to have Contractor be informed as much as possible to more efficiently assist DPW in its role as well as manage its own responsibilities.

THIS CONTRACT IS NOT VALID UNTIL SIGNED BY ALL PARTIES. NO WORK WILL COMMENCE UNTIL THIS DOCUMENT HAS BEEN SIGNED BY THE COUNTY PURCHASING AGENT OR AUTHORIZED DESIGNEE.

Re: Notice of Construction Costs for the Animal Care Shelter Facility

Dear Robert,

On or about September 9, 2014, the municipalities within San Mateo County entered into an agreement ("the Agreement") to share the construction costs of a new animal care shelter facility. The agreement provides that the County of San Mateo will advance the funds for construction to be repaid by the municipalities according to their share, through a 30-year, interest-free lease agreement.

On March 6, 2020, construction of the new animal shelter building was completed, and certificate of occupancy was issued. The old shelter building was demolished shortly thereafter, and final project completion (with exception of photovoltaic installment) is slated for approximately July 30, 2020. Final project costs are reasonably determinable and anticipated to be approximately \$28,300,000. The municipalities' final shared responsibility is anticipated to be \$25,700,000 or \$856,758 annually. The County will not seek reimbursement for \$2,600,000 in project costs comprised of an upgraded heating ventilation air conditioning (\$600,000), a photovoltaic system (\$1,200,000), miscellaneous site improvements related to landscaping, fencing, and parking (\$530,000), and relocation of a City of Burlingame water line (\$270,000).

The final column of Attachment B to this letter sets forth each municipalities' final annual lease amount, as calculated in the manner proscribed by the Agreement. Final costs exceed the June 2018 estimate by approximately 3%. This marginal increase is a result of escalated regional construction costs and unforeseen circumstances encountered during construction, including requirements for ongoing air-quality monitoring, soil remediation and treatment, fire safety system modifications, PG&E delays, and necessary and reasonable end-user logistical design modifications. The County of San Mateo has worked diligently and successfully to minimize these additional costs while delivering a high-quality facility that will stand the test of time.

Though we had to cancel the ribbon-cutting for the facility due to the pandemic, we look forward to holding, at the appropriate time, a reception to celebrate our successful regional collaboration. In lieu of an in-person tour, we've enclosed photographs of the exterior of the new facility and site. Pursuant to paragraph 3 of the Agreement, annual payments to County to reimburse for costs of construction shall become due on the initial July 1st after a certificate of occupancy is issued for the new shelter, and each subsequent July 1st for the next 29 years thereafter. Please find enclosed the invoice and payment instructions for the initial lease payment for your municipality.

Should you have any project questions, please contact Director Adam Ely of the Project Development Unit at 650.722.8112. Should you have any payment questions, please contact Robert Manchia at 650.363.4597.

Sincerely,

Mike Callagy

MEMORANDUM OF AGREEMENT

REGARDING FUNDING FOR CONSTRUCTION OF AN ANIMAL CARE SHELTER ON AIRPORT BOULEVARD IN SAN MATEO, CALIFORNIA, AMONG THE CITIES OF ATHERTON, BELMONT, BRISBANE, BURLINGAME, COLMA, DALY CITY, EAST PALO ALTO, FOSTER CITY, HALF MOON BAY, HILLSBOROUGH, MENLO PARK, MILLBRAE, PACIFICA, PORTOLA VALLEY, REDWOOD CITY, SAN BRUNO, SAN CARLOS, SAN MATEO, SOUTH SAN FRANCISCO, AND WOODSIDE AND THE COUNTY OF SAN MATEO

THIS MEMORANDUM OF AGREEMENT, dated for reference as of September 9, 2014, (the "Agreement"), is by and among the COUNTY OF SAN MATEO (the "County"), and the cities of ATHERTON, BELMONT, BRISBANE, BURLINGAME, COLMA, DALY CITY, EAST PALO ALTO, FOSTER CITY, HALF MOON BAY, HILLSBOROUGH, MENLO PARK, MILLBRAE, PACIFICA, PORTOLA VALLEY, REDWOOD CITY, SAN BRUNO, SAN CARLOS, SAN MATEO, SOUTH SAN FRANCISCO, AND WOODSIDE (each, a "City," and collectively, the "Cities," and, together with the County, the "Parties").

RECITALS

The County and the Cities are parties to an Agreement for Animal Control Services dated as of April 26, 2011, pursuant to which the County provides animal control services in the unincorporated area of the County, as well as in the jurisdictional boundaries of the twenty Cities within the County, listed above, each of which is a party to the Agreement for Animal Control Services.

As set forth in the Agreement for Animal Control Services, the Peninsula Humane Society & SPCA ("PHS") presently serves as the County Contractor for the provision of certain animal control services to the County and the Cities. These services and the terms of PHS' performance of them are contained in an Animal Control Services Agreement between the County and PHS dated as of April 26, 2011.

In conjunction with and pursuant to the Animal Control Services Agreement, the County has leased to the PHS the land at 12 Airport Boulevard, in San Mateo, California, on which an Animal Care Shelter facility owned and operated by PHS is presently located.

The Parties agree that, owing to the obsolescence of the existing Animal Care Shelter facility, it is now necessary to construct a new facility and the Parties enter into this Agreement to set forth

the allocation of, and process for payment of, the construction cost for the new Animal Care Shelter facility among the Parties.

NOW, THEREFORE, the Parties agree as follows:

1. Construction Cost Allocation Methodology: The Parties agree that construction costs for the new Animal Care Shelter facility shall be allocated among the Parties based on the formula set forth in Exhibit A to this Agreement, which is incorporated herein by reference. This formula reflects each Party's actual use of the existing Animal Care Shelter facility in 2009, 2010, and 2011 as a percentage of all Parties' total use of the facility, as well as each Party's total population as of 2010, as a percentage of the County's total population as of that date. The formula is weighted 80% to a City's average facility use over the three years preceding the year in question and 20% to population. The Parties agree that each year, the County shall recalculate three year average facility usage for each City and that Exhibit A (and each Party's prospective Lease Payment obligations, as described in Section 3 of this Agreement) shall be amended to reflect such recalculations. The Parties further agree that the County shall, upon request of a City, promptly provide the requesting City with copies of the data and documents used to calculate each City's facilities usage.

2. County Advancing Construction Costs: The Parties agree that the County shall advance, on an interest free basis, all funds required to pay the construction costs for the new Animal Care Shelter facility. For purposes of this Agreement, "construction costs" include all expenses for architectural and inspector services, project management service, environmental review, planning and building fees and costs, and actual contractor construction services. The Parties understand and agree that construction costs for the Animal Care Shelter facility are anticipated at this time to be twenty million two hundred thousand dollars (\$20,200,000). The Parties will be provided with further information regarding the construction costs for the Animal Care Shelter facility within a reasonable period of time after such information becomes available or prior to the Certificate of Occupancy being issued. The Parties agree that if the County receives information indicating that the construction costs for the Animal Care Shelter facility will exceed \$20,200,000 by 10% or more, the County shall provide notice to each City of the revised estimated construction costs within a reasonable period of time before such additional construction costs are incurred. The Parties further agree that the County shall, upon request of a City, promptly confer with such City or Cities regarding the additional construction costs and any means by which such additional construction costs may be minimized.

3. Parties' Payment of Proportional Share of Construction Costs: Each Party agrees that, during the term of this Agreement for as long as the new Animal Care Shelter facility is occupied and used for animal care shelter purposes, the Party shall pay the County an annual Lease Payment beginning on the first July 1st after a certificate of occupancy is issued for the new Animal Care Shelter facility, and on each subsequent July 1st for the next twenty nine years thereafter. Each Party's Lease Payment shall be equal to the Party's proportional share of the construction cost of the new Animal Care Shelter facility amortized on a straight line basis over thirty years, as set

forth in Exhibit A to this Agreement, as Exhibit A may be amended from time to time as provided in Section 1 of this Agreement. Each Party's obligation to make a Lease Payment shall remain in place only for so long as the Party is a signatory to the Agreement for Animal Control Services, or any successor agreement addressing materially the same subject matter. In the event that a Party terminates its participation in this Agreement pursuant to Section 4 of this Agreement, the County shall, upon receiving notice of that Party's termination, recalculate the remaining Parties' Lease Payment obligations pursuant to the Construction Cost Allocation Methodology set forth in Section 1 of this Agreement. The County shall promptly provide all remaining Parties with notice of their recalculated Lease Payment obligations. Each remaining Party shall thereafter have the option to either (a) pay the recalculated increased annual Lease Payments during the remaining term of the Agreement; or (b) request that the County allow the remaining Party a period of up to 5 years after the end of the thirty year period set forth in this Section 3 of the Agreement to pay the County the remaining Party's additional allocated share of construction costs for the Animal Care Facility attributable to the departure of the terminating Party.

4. Term and Termination: Except as set forth above, this Agreement shall be effective for the period from September 9, 2014 until each Party has made the last payment required under Section 3 of this Agreement. Except as set forth in Section 3 of the Agreement (i.e., by terminating participation in the Agreement for Animal Control Services), no Party may terminate this Agreement during its term. A Party terminating its participation in this Agreement shall do so effective as of December 31 of a year during the term of this Agreement and shall provide each other Party to this Agreement with at least one full year's prior written notice of the Party's intent to terminate its participation in the Agreement.

5. Amendments/Entire Agreement: Amendments to this Agreement must be in writing and approved by the governing body of each Party. This is the entire agreement among the parties with respect to the construction of the new Animal Care Shelter facility and it supersedes any prior written or oral agreements with respect to the subject.

6. Hold Harmless: Each City shall hold harmless, indemnify, and defend County, its officers, employees, and agents from and against any and all claims, suits, or actions of every kind brought for or on account of injuries to or death of any person or damage to any property of any kind whatsoever and to whomsoever belonging which arise out of the performance or nonperformance of City's covenants and obligations under this Agreement and which result from the actively negligent or wrongful acts of City or its officers, employees, or agents.

County shall hold harmless, indemnify, and defend each City, its officers, employees, and agents from and against any and all claims, suits, or actions of every kind brought for or on account of injuries to or death of any person or damage to any property of any kind whatsoever and to whomsoever belonging which arise out of the performance or nonperformance of County's covenants and obligations under this Agreement and which result from the actively negligent or wrongful acts of County or its officers, employees, or agents.

This provision requiring County to hold harmless, indemnify, and defend each City shall expressly not apply to claims, losses, liabilities, or damages arising from actions or omissions, negligent or otherwise, of PHS or any other independent contractor providing animal control-related services pursuant to a contract with the County. Claims related to the planning and/or construction of the new Animal Care Shelter facility are not claims, losses, liabilities, or damages related to "animal control-related services" within the meaning of this Agreement.

In the event of concurrent negligence of the County, its officers, or employees, and any City, its officers and employees, then the liability for any and all claims for injuries or damages to persons and/or property or any other loss or cost which arises out of the terms, conditions, covenants or responsibilities of this Agreement shall be apportioned in any dispute or litigation according to the California theory of comparative negligence.

7. Assignability: Except as otherwise expressly provided for herein, no Party shall assign any of its obligations or rights hereunder without the consent of all other Parties.

8. Notices: Any notices required to be given pursuant to this Agreement shall be given in writing and shall be mailed to all Parties to the Agreement, as follows:
