RESOLUTION NO. ____ (2021)**

ADOPTING INCREASED MAXIMUM COMMERCIAL AND RESIDENTIAL SOLID WASTE RATES FOR 2022

WHEREAS, the City reviews the rates charged by the City's franchisee (hereafter "Solid Waste Rates"); and

WHEREAS, the purpose of the rate review is to ensure that rates cover the cost of solid waste, recycling and compost collection and disposal; and

WHEREAS, the South Bayside Waste Management Association (SBWMA) approved Recology's Compensation Application for rate year 2022 including a rate increase, incorporated herein by reference; and

WHEREAS, a rate increase for 2022 is proposed in an amount not-to-exceed two percent for all commercial customers with bins, and not-to-exceed \$4.00 a month increase for all residential and commercial customers with 20- and 32-gallon garbage carts, and not to exceed \$2.00 a month increase for all residential customers with 64-and 96-gallon garbage carts; and

WHEREAS, while not currently required by law, the City followed the noticing procedure set forth in Article XIID §6 of the California Constitution (Proposition 218); and

WHEREAS, in accordance with Proposition 218, the City Council authorized staff to proceed with noticing and protest proceedings for the proposed rate increase; and

WHEREAS, the public was noticed of such proposed Solid Waste Rate increases by a notice mailed to all property owners and rate payers within the City on August 23, 2021; and

WHEREAS, a public hearing was held on October 18, 2021; and

WHEREAS, there was not a majority protest.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN MATEO, CALIFORNIA, HEREBY FINDS and RESOLVES that:

1. In accordance with Article XIID §6 of the California Constitution:
 - a. The revenues derived from the Solid Waste Rates will not exceed the funds required to provide solid waste collection service.
 - b. The revenues derived from the Solid Waste Rates will not be used for any purpose other than solid waste collection.
 - c. The Solid Waste Rate charged will not exceed the cost of solid waste collection per parcel.
 - d. Any surplus monies collected from the solid waste collection fees will be used to offset future revenue requirements.
 - e. The Solid Waste Rate is only charged for solid waste collection service that is currently available.

- f. The Solid Waste Rate is not charged for general governmental services.
-
- 2. Notice of the proposed increase in maximum solid waste collection rates to be charged by the franchisee was mailed to property owners on August 23, 2021.
 - 3. A public hearing was conducted on October 18, 2021 regarding the proposed maximum Solid Waste Rate to be charged by the franchisee and all protests and other comments were considered.
 - 4. The number of written protests by owners of parcels within the City against the increase in maximum rates to be charged by the franchisee was tabulated by the City Clerk and the number of protests fell short of a majority.
 - 5. The City Council approves and adopts the new maximum rates to be charged by the franchisee for the residential and commercial solid waste program, set forth in the attached Exhibit A.
 - 6. The new maximum two percent increase for Solid Waste Rates to be charged by the City's franchisee for commercial bin users shall be effective January 1, 2022.
