

NOTICE OF PUBLIC HEARING

OCTOBER 18, 2021, 7:00 pm City of San Mateo City Council Chambers 330 West 20th Avenue, San Mateo, CA 94403

The City of San Mateo is currently considering an increase to the charges imposed and collected by Recology for solid waste/recycling/compost collection and disposal. You are receiving this notice because City records indicate that you are a Recology customer in San Mateo.

On October 18, 2021, at 7:00 PM or as soon thereafter as the matter may be heard, the San Mateo City Council will hold a Public Hearing to accept public input and testimony on a proposed increase on the maximum allowable charge for solid waste/recycling/compost collection and disposal, to be effective January 1, 2022. Any interested person may present verbal or written input to the City Council. Although the City Council will consider all input, State law provides that only the written protests of property owners may be counted to determine whether a majority protest (50% of all parcels +1) to the proposed maximum exists. If, at the conclusion of the public hearing, a majority protest of property owners does not exist, the City Council will consider adoption of the proposed increase in the maximum allowable charges.

HOW SOLID WASTE RATES ARE DETERMINED

The total cost of the solid waste program includes those for collection services provided by Recology San Mateo County (Recology), processing and disposal services provided by the South Bayside Waste Management Authority (SBWMA), and City fees that support the City's sustainability goals and efforts to meet all regulatory compliance mandates. Customer rates are adjusted as required to generate enough revenue to cover the cost of the provided services. These services are available to all City of San Mateo residents and commercial businesses. The rates are established to encourage recycling and composting. Recommended rates are reviewed by the South Bayside Waste Management Authority Board of Directors based on a financial evaluation of operating costs and projected revenues. The cost for residential service (solid waste, recycling, and compost collection) is determined by the size of your solid waste cart. The cost for commercial service is determined by the size of the solid waste collection container, organic collection container, and number of days of service for each.

PROPOSED RATE INCREASES

The proposed change is directly related to the following causes: the need to set residential rates to cover the cost of the actual services provided; current costs do not cover the cost of the services; the 2020 revenue shortfall; and the increased costs associated with the mandates of State Senate Bill 1383 requiring all commercial businesses, multi-family and single family residents to recycle all organic waste to reduce greenhouse gas emissions. Mandatory recycling of clean organic waste is the next step toward achieving California's aggressive recycling and greenhouse gas emission goals. Organic waste such as green materials and food materials are recyclable through composting and mulching, and through anaerobic digestion. Greenhouse gas emissions resulting from the decomposition of organic wastes in landfills have been identified as a significant source of emissions contributing to global climate change. The City is mandated by the State to divert organic debris from landfills and therefore faces severe financial penalties if it does not.

IMPACT OF PROPOSED INCREASE ON SOLID WASTE BILLS

The following charts illustrate the monthly rates, including all City fees, for residential services and the most common service level rates for commercial customers. Residential and commercial cart rate increases for 20- and 32-gallon carts will increase \$4.00 and 64- and 96-gallon cart rates will increase \$2.00. The proposed rate increase for commercial metal bin services for 2022 is not to exceed two percent. Commercial Organic Collection is offered at a 25% discounted rate from the cost of the commercial garbage rates. The full rate schedule, including all commercial services, is available for review at www.cityofsanmateo.org/publicworks or at the City Clerk's Office at 330 West 20th Avenue, San Mateo, CA.

Residential Garbage Collection (Single family homes are billed quarterly)

Cart Size	2021 Monthly Cost	Proposed 2022 Monthly Cost	Monthly Difference	Quarterly Difference
20 Gallon Cart	\$15.19	\$19.59	\$4.00	\$12.00
32 Gallon Cart	\$24.29	\$28.93	\$4.00	\$12.00
64 Gallon Cart	\$53.52	\$56.93	\$2.00	\$6.00
96 Gallon Cart	\$82.69	\$87.08	\$2.00	\$6.00

Commercial Garbage Collection (Assuming service one time per week, commercial customers billed monthly)

Bin Size	2021 Monthly Cost	Proposed 2022 Monthly Cost	Monthly Difference
1 Yard	\$166.84	\$170.18	\$3.34
2 Yard	\$333.77	\$340.45	\$6.68
3 Yard	\$500.64	\$510.65	\$10.01
6 Yard	\$975.49	\$995.00	\$19.51

Recology provides additional services upon request that are not included in the City's solid waste collection rate. Additional services include backyard or distance service, additional carts, and extra on-call pickups of bulk items. The fees for optional services will appear on the customer's Recology San Mateo County bill as separate line items in addition to the standard cost of collection. A complete list of all the additional services and their 2022 cost is available at www.cityofsanmateo.org/publicworks or at the City Clerk's Office located at 330 W. 20th Avenue, San Mateo. For Questions, please call the City of San Mateo, Public Works Department at (650) 522-7346.

NOTICE OF PUBLIC HEARING

OCTOBER 18, 2021, 7 pm

**City of San Mateo
City Council Chambers
330 West 20th Avenue,
San Mateo, CA 94403**

HOW TO PROTEST THE RATE INCREASE

A property owner or Recology customer may submit a written protest to the proposed increase in maximum rates to be charged by the City's franchisee by U.S. mail, to be received prior to the meeting date, or hand delivered to the City Clerk, at any time before the end of the public hearing. The City Clerk's address is: 330 West 20th Avenue, San Mateo, CA 94403. Only one protest per parcel may be submitted. Written protest must include the owner's name, service address, assessor's parcel number (the nine digit number that appears on your property tax statement) and the owner's or customer's signature for the property served.
