

**CITY OF SAN MATEO**  
**RESOLUTION NO. \_\_ (2022)**

**ADOPTING INCREASED MAXIMUM RESIDENTIAL AND COMMERCIAL SOLID WASTE RATES FOR 2023**

WHEREAS, the City reviews the rates charged by the City's franchisee (hereafter "Solid Waste Rates"); and

WHEREAS, the purpose of the rate review is to ensure that rates cover the cost of solid waste, recycling, compost collection and disposal, and other fees; and

WHEREAS, the South Bayside Waste Management Association (SBWMA) approved Recology's Compensation Application for rate year 2023 including a rate increase, incorporated herein by reference; and

WHEREAS, a rate increase for 2023 is proposed in an amount not-to-exceed \$4.00 per month for all residential customers with 20- and 32-gallon garbage carts, and not to exceed \$2.00 per month for all residential customers with 64- and 96-gallon garbage carts and all commercial customers with 64- and 96-gallon garbage carts; and

WHEREAS, while not currently required by law, the City followed the noticing procedure set forth in Article XIID §6 of the California Constitution (Proposition 218); and

WHEREAS, in accordance with Proposition 218, the City Council authorized staff to proceed with noticing and protest proceedings for the proposed rate increase; and

WHEREAS, the public was noticed of such proposed Solid Waste Rate increases by a notice mailed to all property owners and rate payers within the City on October 7, 2022; and

WHEREAS, a public hearing was held on November 21, 2022; and WHEREAS, there was not a majority protest.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN MATEO, CALIFORNIA, HEREBY FINDS AND RESOLVES THAT:

1. Pursuant to California Environmental Quality Act (CEQA) Guideline section 15378(b)(4), this action is not a project under CEQA because the City's rate setting relates to the funding of on-going solid waste collection services.
2. In accordance with Article XIID §6 of the California Constitution:
  - a. The revenues derived from the Solid Waste Rates will not exceed the funds required to provide solid waste collection service.
  - b. The revenues derived from the Solid Waste Rates will not be used for any purpose other than

solid waste collection.

- c. The Solid Waste Rate charged will not exceed the cost of solid waste collection per parcel.
  - d. Any surplus monies collected from the solid waste collection fees will be used to offset future revenue requirements.
  - e. The Solid Waste Rate is only charged for solid waste collection service that is currently available.
  - f. The Solid Waste Rate is not charged for general governmental services.
3. Notice of the proposed increase in maximum solid waste collection rates to be charged by the franchisee was mailed to property owners on October 7, 2022.
  4. A public hearing was conducted on November 21, 2022, regarding the proposed maximum Solid Waste Rate to be charged by the franchisee and all protests and other comments were considered.
  5. The number of written protests by owners of parcels within the City against the increase in maximum rates to be charged by the franchisee was tabulated by the City Clerk and the number of protests fell short of a majority.
  6. The City Council approves and adopts the new maximum rates to be charged by the franchisee for the residential and commercial solid waste program, set forth in the attached Exhibit A.
  7. The new maximum two percent increase for Solid Waste Rates to be charged by the City's franchisee for commercial bin users shall be effective January 1, 2023.
  8. The new maximum \$4.00 per month increase for Solid Waste Rates to be charged by the City's franchisee for 20- and 32-gallon residential garbage cart users shall be effective January 1, 2023.
  9. The new maximum \$2.00 per month increase for Solid Waste Rates to be charged by the City's franchisee for 64- and 96-gallon residential and 20- and 32-gallon commercial garbage cart users shall be effective January 1, 2023.
  10. The City Council approves and adopts the new maximum rates to be charged by the franchisee for residential and commercial solid waste program if required.
  11. The new maximum Solid Waste Rates to be charged by the City's franchisee for commercial and residential users shall be effective January 1, 2023.
