SUBJECT:
San Mateo County Highway 101 Express Lanes - Update

RECOMMENDATION:

Receive an update on the San Mateo County 101 Express Lanes project and information on the Equity Study and provide Caltrans staff feedback.

BACKGROUND:

Caltrans will provide the Sustainability and Infrastructure Commission an update on the San Mateo County 101 Express Lanes project. The San Mateo 101 Express Lanes Project will create 22 miles of express lanes on U.S. 101 from the San Mateo County/Santa Clara County line to I-380 in South San Francisco. The management and operation of the Express Lanes is governed by the San Mateo County Express Lanes Joint Powers Authority (SMCEL-JPA), a six-member joint powers authority consisting of three San Mateo County Transportation Authority (SMCTA) Board members and three City/County Association of Governments of San Mateo County (C/CAG) Board members.

The SMCEL-JPA is also conducting an Equity Study to learn more about potential mobility improvements the San Mateo 101 Express Lanes project can help address in communities. The study will recommend an equity program designed to help with those needs and feedback on the Equity Study is being sought from the Commission.
