**FROM:** Drew Corbett, City Manager  
**PREPARED BY:** City Manager's Office  
**MEETING DATE:** February 07, 2022

**SUBJECT:**  
South Bay-Peninsula Preservation Lab – Appointment

**RECOMMENDATION:**

Appoint Council Member Lee to the South Bay-Peninsula Preservation Lab as a member representing the City of San Mateo.

**BACKGROUND:**

At the January 18, 2022 Council meeting, Council Member Lee requested that Council consider appointing her as the City's representative to the South Bay-Peninsula Preservation Lab (Lab). The Lab is funded by the Silicon Valley Community Foundation (Foundation) and originally started out as a project of the Foundation. Due to limited capacity, however, the Foundation asked the Council of Community Housing Organizations to staff the Lab. The Lab is a collaborative where local organizations, cities, other governmental entities, and technical experts work to advance affordable housing preservation. Other cities involved in the Lab include San Jose, Mountain View, Palo Alto, and East Palo Alto. The County of San Mateo is also involved through its Housing Department and its Health Department.

**BUDGET IMPACT:**

There is no budgetary impact related to this Council action.
