**MEETING DATE:** March 20, 2023

**SUBJECT:**  
Termination of Proclamation of a Local Emergency

**RECOMMENDATION:**  
Adopt a Resolution terminating the declaration of a local emergency.

**BACKGROUND:**  
On January 2, 2023, the City Manager, acting as the Director of Emergency Services, issued a proclamation declaring the existence of a local emergency within the City of San Mateo, as authorized by San Mateo Municipal Code Chapter 2.78. The proclamation contained findings that conditions of extreme peril to the safety of persons and property within the City were caused by recent significant wet weather events, including flooding and storms, commencing on or about 3:00 a.m. on December 31, 2022. On January 3, 2023, the City Council adopted a resolution ratifying the proclamation.

At this point in time, the situation resulting from said conditions of extreme peril is now deemed to be within the control of the normal protective services, personnel, equipment, and facilities of and within the City. In accordance with State law, staff is now asking the City Council to adopt a resolution terminating the local emergency, as of March 3, 2023, which is 60 days from the initial proclamation of the local emergency.
