Agenda Report

Agenda Number: 7

Section Name: {{section.name}}

File ID: {{item.tracking_number}}

TO: City Council

FROM: Drew Corbett, City Manager

PREPARED BY: Public Works

MEETING DATE: June 03, 2019

SUBJECT:

State Route 92/El Camino Real Landscaping – Resolution and Grant Application

RECOMMENDATION:

Adopt a Resolution to authorize the submission of a grant application to the California Natural Resources Agency to fund the landscape improvements for the State Route 92/El Camino Real interchange, and authorize the Director of Public Works to execute and submit all necessary documents to administer the grant.

BACKGROUND:

In June 2015, the City of San Mateo (City) and the San Mateo County Transportation Authority entered into an agreement to improve the State Route 92/El Camino Real interchange (Project). The first phase of the Project was completed during August 2018 and improved on- and off-ramps at the State Route 92 at El Camino Real interchange. The second phase of the Project, which has a total estimated cost of \$2.1 million, will install new landscaping at the interchange.

The City is the lead agency for the Project and is responsible for implementing the second phase of the Project. To reduce the use of City funds, staff is requesting approval to apply for an Environmental Enhancement and Mitigation Grant issued by the State of California Natural Resources Agency. The grant can be awarded for an amount up to \$500,000.

BUDGET IMPACT:

If received, the grant would provide up to \$500,000 to offset the use of Measure A or Traffic Impact Fees.

ENVIRONMENTAL DETERMINATION:

Submission of the application is not a project subject to CEQA because it can be seen with certainty that it will not cause a physical change in the environment. (Public Resources Code Section 21065.)

NOTICE PROVIDED

All meeting noticing requirements were met.
